INDEPENDENT AUDITOR'S REPORT

To Management and the Board of Directors of Family Support Services of West Hawaii Kailua-Kona, Hawaii 96740

Report on the Financial Statements

We have audited the accompanying combined financial statements of Family Support Services of West Hawaii (a nonprofit organization) and affiliates, which comprise the combined statements of financial position as of June 30, 2016, and the related combined statements of activities, functional expenses, changes in net assets, and cash flows for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Family Support Services of West Hawaii and affiliates as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Family Support Services of West Hawaii financial statements, and our report dated October 10, 2015, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenditures of Federal Awards on page 14 is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2016, on our consideration of Family Support Services of West Hawaii and affiliates' internal control over combined financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over combined financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over combined financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Family Support Services of West Hawaii and affiliates' internal control over combined financial reporting and compliance.

Notes to the Combined financial Statements June 30, 2016

Note 1. ORGANIZATION

Family Support Services of West Hawaii (FSSWH) was incorporated in April, 1981 as a non-profit corporation under the laws of the State of Hawaii. The FSSWH's mission is to support families and communities in providing love and care for our children. In fulfilling this mission, the FSSWH operates programs that assist and support families with children. Funding for the programs is primarily through government contracts and various foundation grants. Family Support Services of West Hawaii operate facilities and programs in Kailua-Kona, Waimea, Hilo, and Ka'u on the Big Island of Hawaii.

Island Therapeutic (ITS) is a limited liability corporation organized in July 2013 under the laws of the State of Hawaii. Family Support Services of West Hawaii acquired ITS during 2016. Intercompany transactions have been incorporated into the combined financial statements. Collectively, Family Support Services of West Hawaii and Island Therapeutic are referred to as the Organization.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue and Expense Recognition: The Organization uses the accrual method of accounting. Under this method of accounting, exchange revenue is recognized when earned rather than when received and expenses are recognized when incurred rather than when paid. For contributions and donations, revenue is recognized when the gift is received. For grants, revenue is recognized as the applicable requirements are fulfilled.

Property and Equipment: Property and equipment are stated at cost. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets, which range from 3 to 15 years. The Organization capitalizes expenses over \$5,000 and a useful life of more than one year. Donated property and equipment are recorded as revenue at their estimated fair value. Such donations are reported as unrestricted revenue unless the donor has restricted the donated asset to a specific purpose.

Assets purchased with contract funds revert back to the grantee organization upon termination of their intended use. However, management intends to use the assets for their intended purposes for the life of the assets and the likelihood of the assets ever having to be returned to the grantors is remote.

Cash and Cash Equivalents: For the purpose of the statement of cash flows, cash is defined as demand deposits, petty cash on hand and savings accounts.

Accounts Receivable: Accounts receivable represents revenue earned and not yet received from grants and contracts. Accounts receivable are written off when management determines they will not be collected. Management analyzes the allowance for doubtful accounts based on the current make up of the accounts receivable balance and past history. Based on this analysis, management has determined an allowance for doubtful accounts is not necessary as of June 30, 2016 and 2015.

Deferred Revenue: Deferred revenue represents funds received from government and foundation contracts which were not yet earned. Most of the contracts allow for these funds to be used and thus, earned in the subsequent year. There was no deferred revenue balance at June 30, 2016 and 2015.

Notes to the Combined Financial Statements June 30, 2016

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of combined financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3. NET ASSETS

Family Support Services of West Hawaii has conformed to *FASB ASC 958-210-45-9* "Not for profit entities, Classifications of Net Assets". Accordingly, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restricted net assets are reported in the statement of activities as net assets released from restrictions.

Temporarily restricted net assets represent restricted grants and funds received from foundations and donors for which the restriction had not yet been fulfilled and consist of the following at June 30:

	_	2015		
Newborn Enhanced Support Team	\$	32,175	\$	37,429
Fatherhood Initiative		13,223		32,527
ECE - First Foods		13,040		5,912
ECE Marshallese		4,961		1,610
ECE - R.I.F.		840		1,098
ECE - Learn and Play Group		619		2,314
ECE - CSEFEL		-		124
Total	\$	64,858	\$	81,014

Permanently restricted net assets of \$23,000 represent endowment funds received from donors subject to the restrictions of gift instruments requiring the principal to be maintained intact and only the investment income is used to provide sustainable funding of programs and services which support the mission of Family Support Services of West Hawaii. Investment income from certain endowment funds is restricted for specified purposes.

The Uniform Prudent Management of Institutional Funds Act (UPMIFA) applies to nonprofit organizations in Hawaii. UPMIFA updates the prudence standard for the management and investment of charitable funds, and it amends the provisions governing the release and modification of restrictions on charitable funds. Management has evaluated the provisions of the standard and has concluded that the adoption of UPMIFA in fiscal year 2016 did not have a significant effect on the Organization's combined financial statements.

Notes to the Combined Financial Statements June 30, 2016

Note 4. INVESTMENTS

Family Support Services of West Hawaii has conformed to *FASB ASC 820-10-50-1* which establishes a fair value hierarchy for inputs used in measuring fair market value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on the best information available in the circumstances. This fair value hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets such as stock exchanges for identical assets and have the highest priority.
- Level 2 inputs consist of significant other observable inputs such as quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the combined financial instrument.
- Level 3 inputs consist of significant unobservable inputs and include situations where there is little, if any, market activity for the investment. The inputs require significant judgment or estimates, such as those associated with discounted cash flow methodologies and appraisals.

Fair values of assets measured on a recurring basis are as follows, there are no liabilities or other assets measured at fair value on a recurring or non-recurring basis.

Assets	Total 6/30/2016	Quoted Prices: Level 1	Other	ificant Inputs: evel 2	Obse	ant Non- ervable Level 3	Assets	Total 6/30/2015	Quoted Prices: Level 1	Other	nificant Inputs: evel 2	Observa	cant Non- ble Inputs: evel 3
Stocks Bonds	\$ 45,667 30,089	\$45,667 30,089	\$	-	\$	-	Stocks Bonds	\$ 43,052 28,927	\$ 43,052 28,927	\$	-	\$	•
Total	\$ 75,756	\$ 75,756	\$	-	S	-	Total	\$ 71,979	\$ 71,979	\$	-	S	-

Note 5. FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 6. 401(k) PLAN

The Organization has a retirement plan with Mutual of America in which there is no limit on employee contributions and the Organization matches up to 3%. For the year ended June 30, 2016 and 2015, the 401(k) retirement plan contributions by the Organization were \$24,526 and \$21,720, respectively.

Notes to the Combined Financial Statements June 30, 2016

Note 7. RECONCILIATION OF CHANGE IN NET ASSETS WITH NET CASH PROVIDED BY OPERATING ACTIVITIES

		2016		2015
Change in Net Assets	\$	(14,033)	\$	(15,506)
Add in Depreciation		19,221		49,795
Unrealized Gain on Investments		(3,243)		(3,306)
Gain on Disposal		-		(6,400)
Bad Debt Expense		11,998		9,820

Change in Prepaid Expenses		289		6,760
Change in Security Deposits		746		(825)
Change in Accounts Payable		(28,431)		4,088
Change in Accrued Payroll Expenses	-	(16,401)		20,263
Net Cash Provided by Operating Activities	\$	50,738	\$	48,119
			_	

Note 8. LINE OF CREDIT

Family Support Services of West Hawaii has secured a line of credit with the Bank of Hawaii with a maximum borrowing of \$200,000. The line of credit expires in September 2017 and has a zero balance as of June 30, 2016 and 2015, respectively.

Note 9. CONCENTRATIONS

During the year ended June 30, 2016 and 2015, the Organization received approximately 92% and 93%, respectively, of its revenue from government contracts, most of which are awarded by the State of Hawaii. Significant reductions, if any, could have an adverse effect on the Organization's ability to continue operations. The ultimate determination of amounts received under these programs generally is based upon allowable units of service delivered to and audited by the government. Until such audits have been completed and a final settlement has been reached, there exists a contingency to refund any amount received in excess of allowable costs.

Note 10. COMBINED FINANCIAL STATEMENT PRESENTATION

The combined financial statements include certain prior-year summarized information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's combined financial statements for the year ended June 30, 2015, from which the summarized information was derived.

Notes to the Combined Financial Statements June 30, 2016

Note 11. FUTURE LEASE PAYMENTS

The Organization leases facilities in several locations in order to fulfill its mission. In addition, the Organization entered into certain operating leases for equipment and vehicles. Rental expense was \$120,734 and \$124,506 for the year ended June 30, 2016 and 2015, respectively. The following schedule shows the non-cancelable portion of lease obligations to Family Support Services of West Hawaii:

2017	\$ 17,554
2018	\$ 16,123
2019	\$ 13,468

Note 12. INCOME TAXES

Family Support Services of West Hawaii is exempt from Federal income taxes pursuant to Internal Revenue Code Section 501(c)(3), and exempt from State income taxes under Section 237-23(b) of the Hawaii Revised Statutes. Therefore no provision for Federal or State income taxes is required for the combined financial statements.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the combined financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the combined financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement.

There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2016. The Organization files its *Forms 990* in the U.S. federal jurisdiction and the office of the state's Attorney General for the State of Hawaii. The Organization is generally no longer subject to examination by the Internal Revenue Service for years before 2013.

Note 13. SUBSEQUENT EVENTS

In preparing these combined financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through December 15, 2016, the date the combined financial statements were available to be issued.

Notes to Schedule of Expenditures of Federal Awards For the year ended June 30, 2016

Note A. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Family Support Services of West Hawaii programs of the federal government for the year ended June 30, 2016.

The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Family Support Services of West Hawaii, it is not intended to and does not present the combined financial position, changes in net assets, or cash flows of Family Support Services of West Hawaii.

Note B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: Expenditures reported on this schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, Cost Principles for Non-Profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Indirect Cost Rate: The Center has a negotiated indirect cost rate of 13%.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Management and Board of Directors of Family Support Services of West Hawaii Kailua-Kona, Hawaii 96740

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Family Support Services of West Hawaii (a nonprofit organization), which comprise the combined statement of financial position as of June 30, 2016, and the related combined statements of activities, and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated December 15, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered Family Support Services of West Hawaii's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Family Support Services of West Hawaii's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's combined financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Family Support Services of West Hawaii's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

To the Management and Board of Directors of Family Support Services of West Hawaii Kailua-Kona, Hawaii 96740

Report on Compliance for Each Major Federal Program

We have audited Family Support Services of West Hawaii's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Family Support Services of West Hawaii's major federal programs for the year ended June 30, 2016. Family Support Services of West Hawaii's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Family Support Services of West Hawaii's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Family Support Services of West Hawaii's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Family Support Services of West Hawaii's compliance.

Opinion on Each Major Federal Program

In our opinion, Family Support Services of West Hawaii complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of Family Support Services of West Hawaii is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Family Support Services of West Hawaii's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Family Support Services of West Hawaii's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control of deficiencies, in internal control over compliance over compliance is a deficiency or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance over compliance with a type of compliance is a deficiency over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance, and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
